## DETAILED ACTION

### *Response to Amendment*

1. In response to the Amendment received on September 29, 2004, the examiner has carefully considered the amendments.
2. The Declaration under 37 CFR 1.132 filed September 29, 2004 is sufficient to overcome the rejection of claims 1-7, 10-15, and 20-26 based upon Thepot et al (WO 98/11152) as being anticipated under 35 USC 102(b).

### *Response to Arguments*

3. Applicant's arguments, see Amendment and Declaration, filed September 29, 2004, with respect to claims 1-7, 10-15 and 20-26 have been fully considered and are persuasive. The rejection of claims 1-7, 10-15, and 20-26 under 35 USC 102(b) as being anticipated by Thepot et al (WO 98/11152) has been withdrawn.

### *Allowable Subject Matter*

4. Claims 1-7, 10-15, and 20-26 are allowed.
5. The following is an examiner's statement of reasons for allowance: Applicant has amended the claims to better distinguish maleimide polymer having both maleimide and external (side-chain) ethylenically unsaturated bonds over the prior art. In addition, the Declaration provided by applicant is sufficient to show the difference between the prior art and the instant invention, as well as, show unexpected solvent resistance for the instant crosslinkable resin.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
